## Hollow Core

### CRAFTMASTER CREMONA® DOOR

The contemporary Cremona design, with its smooth finish, is one of the most popular designs. The graceful arches and curves of the Cremona design add excitement to any room in the house.

- Available in standard 6'8", 7'0" and 8'0" passage and bifold sizes. Most sizes can be specified for either hollow or solid core construction and with either finger-joint or MDF stiles and rails.
- Elegant smooth finish.
- Available in 25-, 45- and 60-minute fire ratings.
- All doors are available primed and ready to paint.
- CraftMaster molded door designs have no added urea formaldehyde. This is certified by Scientific Certification Systems, certificate number SCS-MC-01802.
- CraftMaster molded door designs contain a minimum of 63% by weight, pre-consumer recycled content. This is certified by Scientific Certification Systems, certificate number SCS-MC-01801.
- CraftMaster doors are covered by a 5-year limited warranty.
