- Superior RFI suppression
-  Listed
- Lutron controls are rated at 120VAC, 60Hz unless otherwise noted.

# Optional Chandelier Light Lift

## **Automatically Lowers Your Chandelier for Easy Cleaning & Bulb Changing**

The Aladdin Light Lift is a motorized lift system for your chandelier. Now, the beauty of your chandelier can be easily maintained as cleaning and changing of bulbs can be done by anyone...anytime. Dangerous ladders and expensive cleaning services are things of the past as chandeliers are quickly and safely lowered within easy reach from the floor.

It is the simple solution for every hard to reach chandelier.

## **Just Turn The Key**

The Aladdin Light Lift comes with a special key switch which can be conveniently installed in any new or existing wall. The key switch is child resistant and prevents accidental activation of the light lift. The chandelier lowers by simply inserting the key and turning the switch. Releasing the key stops the chandelier at the height you choose. It's that easy.

### **MODEL**

ALA 200

### **MAX. WEIGHT**

200 Lbs.

### **STANDARD WATTAGE**

1560 watts\*
